Very nice boat, just heavily discounted. In 2009 all over again professionally painted. Interior is not furnished by a ship-yard, but it is very nicely done and above all, very practical. Many lockers and places to stow things away.

Lovely boat with lots of light and space. Equipped with two indestructible Mercedes engines. Reduced fuel consumption and easy to handle in harbors, locks and for bridges etc. Nice boat for beginning boaters or for those with a smaller pocket, but the desire for something good!
